

NAM27

**The 27th North American Catalysis Society Meeting
May 22-27, 2022 New York, NY**

On Behalf of the North American Catalysis Society.

Dear Colleague,

The Organizing Committee cordially invites you to attend the **27th North American Catalysis Society Meeting (NAM27)** that will be held from **May 22 – 27, 2022 in New York, NY.**

This biennial meeting is widely recognized as the premier topical conference for matters related to homogeneous and heterogeneous catalysis, while also including broad coverage of electro-catalysis and photo-catalysis. Nicknamed "The Big Apple", New York City is the most populous city in the United States with several world-class teaching and research universities in close proximity.

Health and Wellness

NACS is committed to holding a rewarding NAM27 conference at the Hilton Midtown in New York on May 22-27, 2022. Our Health and Safety Plan will continue to evolve as we follow guidance from the Centers for Disease Control and Prevention (CDC) and work closely with the Hilton Midtown to create a safe experience for participants.

Covid 19

We have taken enhanced health and safety measures and require all persons to follow posted instructions while attending NAM27. You must agree to abide by all NAM27, NACS and the Hilton Hotel safety protocols, follow applicable safety precautions.

An inherent risk of exposure to COVID-19 exists in any public place where people are present.

COVID-19 is an extremely contagious disease that can lead to severe illness and death.

According to the [Centers for Disease Control and Prevention](#), senior citizens and guests with underlying medical conditions are especially vulnerable. By attending NAM27, you voluntarily assume all risks related to exposure to COVID-19. **Help keep each other healthy.**

See you in New York!
